
THE REPUBLIC OF CORTESIA DEL MAR

DOOM CITY

THE DOMINION OF VOLTERRA

DOOM PORTAL ACCORD

This document establishes a new ownership regime for the Doom Portal, for the purpose of better fulfilling all respective interests of the signatory parties.

I. Stewardship of the Portal

1. The Republic of Cortesia Del Mar (hereafter "Cortesia") assumes responsibility for the maintenance, defense, and routine operation of the nether portal located at X,Z = 4856,2680 on CivMC main (hereafter "the portal").
2. Pursuant to the above, Cortesia assumes the right–
    a. to construct, alter, and maintain infrastructure installments (hereafter "bunkers") atop both the overworld and nether sides of the portal in compliance with the provisions of this Treaty;
    b. to determine, except as specified otherwise in this Treaty, who may access the portal and/or bunker(s);
    c. to employ military force in and adjacent to the portal bunker(s) if and when necessary to defend the terms of this Treaty; and
    d. to adopt, in consultation with Doom City, secondary agreements relating to the portal's management.
3. All Namelayer groups used for the purpose of fulfilling (2)(a) (hereafter "bunker groups") must be owned by **yodabird19**.

II. Access Guarantees

1. The following guarantees are made to Doom City:
    a. All citizens of Doom City are ensured the ability to safely use the portal to travel to and from the nether regardless of geopolitical circumstance.
    b. Doom City may add players to the bunker groups–
        i. at MOD rank or below without consultation; or
        ii. at ADMIN rank in consultation with Cortesia.

c. **ShadySauce** and **FRESH_Candy** must each hold OWNER rank on all bunker groups, which must grant–
   i. the ability to add other players to ADMIN rank or below;
   ii. the ability to see all players on the group;
   iii. full use of the bunker, including any storage, doors, and bastions; and
   iv. any permissions given to ranks ADMIN and below.

2. The following guarantees are made to the Dominion of Volterra (hereafter "Volterra"):
   a. Volterra may add players to the bunker groups at MOD rank or below without consultation.
   b. MOD rank on all bunker groups must grant–
      i. full use of the bunker, including any storage, doors, and bastions; and
      ii. any permissions given to MEMBER rank.
   c. **Mickale** must hold ADMIN rank on all bunker groups, which must grant–
      i. the ability to add other players to MOD rank or below;
      ii. the ability to see all players on the group;
      iii. full use of the bunker, including any storage, doors, and bastions; and
      iv. any permissions given to ranks MOD and below.

III. Meteoric Iron Rights

1. For so long as it chooses to exercise such, Volterra retains the exclusive right to prospect and mine meteoric iron veins which spawn in the vicinity of the portal, which includes–
   a. the right to delegate this task to third parties, with notice.
