
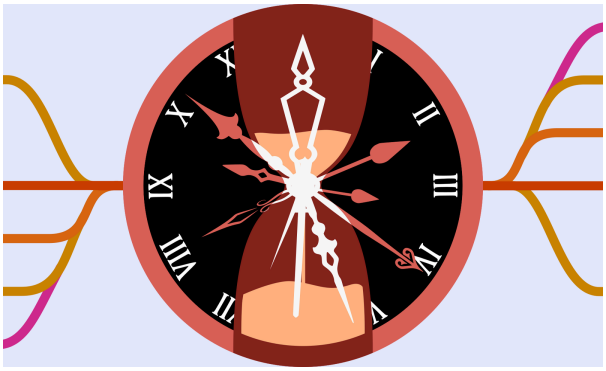
THE REPUBLIC OF CORTESIA DEL MAR



THE SECOND TEMPORAL EMPIRE

TREATY OF STONEVALE

This document formalizes and clarifies the entitlements and obligations of the Temporal Empire with regard to the Doom Portal, in harmony with the Doom Portal Accord.

Definitions

1. "Doom Portal" refers to the nether portal located at X,Z = 4856,2680 on CivMC main.
2. "Bunker groups" refers to all Namelayer groups used for the purpose of fulfilling Section I(2)(a) of the Doom Portal Accord.

I. Doom Portal Access Guarantee

1. The following guarantees are made to the Temporal Empire:
    a. All citizens of the Temporal Empire are ensured the ability to safely use the portal to travel to and from the nether regardless of geopolitical circumstance.
    b. The Temporal Empire may add players to the bunker groups–
        i. at MOD rank or below without consultation; or
        ii. at ADMIN rank in consultation with Cortesia.
    c. **PhysicsGamer** and **DonutMT** must each hold OWNER rank on all bunker groups, which must grant–
        i. the ability to add other players to ADMIN rank or below;
        ii. the ability to see all players on the group;
        iii. full use of the bunker, including any storage, doors, and bastions; and
        iv. any permissions given to ranks ADMIN and below.

II. Security of the Doom Portal

1. The Temporal Empire commits to the defense and security of the Doom Portal, entailing that–

    a. the Temporal Empire assumes shared responsibility for the maintenance of security infrastructure in and around the Doom Portal; and
    b. any attack on or threat to the Doom Portal is treated as a corresponding attack on or threat to the Temporal Empire.
2. The Temporal Empire commits to invest a fair and adequate quantity of resources and labor for the purposes of developing infrastructure necessary for the security of the Doom Portal.
3. The Temporal Empire is permitted to employ military force in and adjacent to the Doom Portal if and when necessary to defend the terms of this Treaty.
